1. **JOURNAL TERMS AND CONDITIONS** The Author hereby agrees to be bound by all terms and conditions in this LTP.

2. LICENSE

2.1 The term “**Contribution** ” means the article written by the Author as identified on page 1 of this LTP.

2.2 The term “**Supplementary Material** ” means any additional written or illustrative materials submitted or uploaded to the Journal by the Author for publication in connection with the Contribution. Supplementary Material does not form part of the Contribution and will be made available in association with the Contribution in online format only. Supplementary Material may be original content created by the Author or it may be third-party material sourced and cleared in accordance with Clause 4 below by the Author (“**Third-party SM**”).

2.3 In consideration of publication of the Contribution, the Author hereby grants to the Publisher:

2.3.1 for a period of six (6) months beginning on the date of first publication, an exclusive license to publish, reproduce, distribute, and sell the Contribution or any part of it in all forms and media and in all languages throughout the world, including in the Journal or other Publisher publications, whether print, digital/electronic, whether now known or hereinafter invented, and to grant sublicenses of all translation and subsidiary rights and an exclusive license to exploit all other rights in the nature of copyright, including the right to allow others to reprint the unedited Contribution with proper attribution for non-commercial use only, rental, lending and database rights and all other publishing and print on demand rights in the Contribution;

2.3.2 for the period beginning six (6) months after the date of first publication, a non-exclusive license to publish, reproduce, distribute, and sell the Contribution or any part of it in all forms and media and in all languages throughout the world, including in the Journal or other Publisher publications, whether print, digital/electronic, whether now known or hereinafter invented, and to grant sublicenses of all translation and subsidiary rights and a non-exclusive license to exploit all other rights in the nature of copyright, including the right to allow others to reprint the unedited Contribution with proper attribution for non-commercial use only, rental, lending and database rights and all other publishing and print on demand rights in the Contribution;

2.3.3 a non-exclusive license to publish, reproduce, distribute, and sell any Supplementary Material or any part of it in all forms and media and in all languages throughout the world, whether print, digital/electronic, whether now known or hereinafter invented, and to grant sublicenses of all translation and subsidiary rights and a non-exclusive license to exploit all other rights in the nature of copyright, including the rental, lending and database rights and all other publishing and print on demand rights in any Supplementary Material.

2.4 The licenses described in Clause 2.3 above shall, throughout this LTP, be referred to collectively as the “**License** .”

2.5 The License shall commence upon the Publisher’s formal acceptance to publish the Contribution and shall endure for the legal term of copyright in the Contribution.

2.6 The Author retains, subject to the License granted to Publisher, all proprietary rights, such as copyright; and retains all patent rights in any process, procedure or article of manufacture described in the Contribution. Where material in the Contribution is the subject of a patent application, it is the sole responsibility of the Author to ensure that the respective patent application is filed prior to any public disclosure, including publication in the Journal.

3. WARRANTIES AND REPRESENTATIONS

3.1 The Author hereby warrants and represents that:

3.1.1 each named Author has full authority and power to agree to this LTP;

3.1.2 the Lead Author has full authority to execute this LTP on behalf of the Author;

3.1.3 the Contribution is original and has not been previously published in whole or in part;

3.1.4 the Contribution and any Supplementary Material contain nothing that infringes any existing copyright or license or any other intellectual property right of any third-party;

3.1.5 the Contribution and any Supplementary Material contain nothing that breaches a duty of confidentiality or discloses any private or personal information of any person without that person’s written consent;

3.1.6 all statements contained in the Contribution purporting to be facts are true and any formula, instruction or equivalent contained therein will not, if followed accurately, cause any injury or damage to the user;

3.1.7 the Contribution and any Supplementary Material do not contain any libelous or otherwise unlawful material, or any material which would harm the reputation of the Publisher; and

3.1.8 there are no actual or apparent conflicts of interest connected to the Contribution that have not previously been declared. A conflict of interest is understood to exist if an interest (financial or otherwise) exerts or appears to exert undue influence on the analysis or conclusions in the Contribution, the choice of subject matter, or in any other way that impedes or appears to impede the Author's objectivity or independence.

3.2 In the event that the Author is in breach of any of these warranties or representations the Publisher shall have the right to cease making the Contribution and/or any Supplementary Material available and/or to require that the Author makes any necessary revisions to the Contribution and/or any Supplementary Material (including any factual information). Any such revisions shall be governed by this LTP.

4. THIRD PARTY MATERIALS

4.1 The Author further confirms that for (i) any Third -party SM and (ii) any other third-party material (including but not limited to textual, illustrative, audio and video content) within the Contribution:

4.1.1 licenses to re-use said content throughout the world in all languages and in all forms and media have or will be obtained from the rights-holders;

4.1.2 appropriate acknowledgement to the original source of all such materials has been made; and

4.1.3 in the case of audio/video material, appropriate release forms have been obtained from the individual(s) whose likenesses are represented in the Contribution and/or Third-party SM, as applicable.

4.2 Copies of all licenses and/or release documentation acquired in accordance with Clause 4.1 above will, on request, be forwarded to the Journal's editor prior to publication of the Contribution.

5. **PROOFREADING AND AUTHOR'S CORRECTIONS** No changes, other than copyediting, shall be made to the Contribution by Publisher without the consent of the Author. In preparing the Contribution for publication, Publisher is authorized to make the Contribution conform to Publisher's standard style of punctuation, spelling, capitalization and usage. The Author shall cooperate in making any required corrections, approving the copyedited Contribution, and reading, correcting, and returning promptly all page and/or galley proofs.

6. **PROMOTIONAL MATERIALS** The Author shall submit to Publisher, for use in connection with the publication, licensing and promotion of the Journal, pre-approved biographical data and photograph of the Author, of quality acceptable to Publisher. Publisher may use, or permit others to use, the Author's biographical data and photograph obtained pursuant to this Clause.

7. **RECORD-KEEPING** The information contained in this LTP will be held for record-keeping purposes. The names of the Author may be reproduced in the Journal and provided to print and online indexing and abstracting services and bibliographic databases. The Publisher complies with applicable data protection and privacy laws in the collection, retention, storage, and use of personal data.

8. ARTIFICIAL INTELLIGENCE (AI)

8.1 If any material contained in the Contribution is the output of Artificial Intelligence Generated Content ("AIGC") tools, (a) such tools do not fulfil the role of, nor can they be listed as, an author of the Contribution, (b) Author will describe its use, transparently and in detail, in the methods, acknowledgement, or equivalent section of the Contribution (provided, however, no such description is needed for tools that are used to improve spelling, grammar, general editing), and (c) Author is responsible for the accuracy of any information provided by any AIGC tool and for referencing any supporting work on which that information depends. The final decision about whether use of an AIGC tool is appropriate or permissible lies with the Journal's editor or other party responsible for the publication's editorial policy.

8.2 Publisher has the right to reproduce and/or otherwise use the Contribution in any manner for purposes of training artificial intelligence technologies to generate text, including without limitation, technologies that are capable of generating works in the same style or genre as the Contribution. Publisher also has the right to sublicense others to reproduce and/or otherwise use the Contribution in any manner for purposes of training artificial intelligence technologies to generate text.

9. ENTIRE AGREEMENT

9.1 This LTP is made between, and contains the entire agreement between, the Publisher and the Author concerning the Contribution and supersedes all related prior agreements, arrangements and understandings (whether written or oral). No addition to or modification of any provision of this LTP shall be binding unless it is in writing and signed on behalf of the Publisher and the Author.

9.2 This LTP is governed by the laws of the State of Indiana and is subject to the exclusive jurisdiction of the courts in Indianapolis, Indiana.
